Look up each team member's handicap index in the table below, and add the computation factor in the right hand column. The sum of which is the Team Computation Factor. The Team Computation Factor will be adjusted prior to each stage of the Championship.

TEAM MEMBER INDEX or FACTOR	COMPUTATION FACTOR
8.0 & lower	+2
8.1 – 16.0	+1
16.1 – 24.0	0
24.1 – 32.0	-1
32.1 & higher	-2

The positive and negative total handicaps of the team must fall between +4 and -4. Teams whose total Team Computation Factor fall outside these parameters at the close of local registration will not be eligible to compete. The Team Computation Factor is added/subtracted from the

team's gross score in the competition. The Championship Committee, working with the Chapter Handicap Chair, has the discretion to adjust a player's handicap submitted based on knowledge of the player's failure to post all acceptable scores, or otherwise not adhering to the spirit of the USGA Handicap System.

Format: On every hole, each team member may hit a tee shot. The team then selects one of the tee shots from which to play. All team members may then hit a shot from that position. This procedure is repeated until the ball is holed out. Each team member must hit and use **a minimum of three (3) tee shots** per eighteen-hole round. The scorecard should be marked for each hole with the initials of the player whose tee shot was chosen. Each team member may place a ball within one club length of the selected shot, no nearer the hole.

If the selected shot is played from a hazard, bunker, rough, or fringe of the green, a ball may be placed within one club-length of the selected shot, no nearer the hole, but it must remain in the hazard, bunker, rough, or fringe of the green. When putting, a ball must be placed within one putter club head length of the selected shot, no nearer the hole. Once the ball is holed out, no further strokes are permitted. Team members may stand behind one another (on an extension of the line of play or putt) while they are making a stroke or putting.

Yardages: The following are yardage ranges for each team member based on her individual handicap factor.

(+1) – (+2)	5400 – 5700 yds.

The Championship Committee will ensure that two sets of tee markers will be set and easily identifiable for each handicap division.

Members of more than one Chapter may compete in more than one event, but can only represent the first Chapter competition in which they win their flight. or revise the Rules of Golf. It would be advisable to carry a copy of the USGA Rules of Golf in your golf bag. The Committee in charge of the competition will settle all disputes.

Spectators are cautioned not to talk to players as such conversation might be construed as giving advice. Spectators will not be allowed to use carts on the competition course.*

*spectators with special needs must contact EWGA Headquarters for accommodations

Acceptance of Places; Notice of Withdrawal: Upon completion of the Chapter Championship qualifying round or Semi-final Championship round, 1st place winners must notify the Director in charge of the respective event, if she is unable to compete in the next level of competition, by completing the Decline to Advance Form within two (2) days of the event. If you inform the Director in charge of your intention, the opportunity to advance will be offered to the next eligible team. The order of substitutions is based on the final results on the day of the Chapter/Semi-final competition.

If a team withdraws, they must promptly notify the Director in charge of the next level of qualifying in order to insure an alternate team fair opportunity to play. Failure to comply may result in disqualification from future EWGA Championships.

Substitutions: Substitution will be considered for conditions that arise after registration into the local qualifying round of the Championship has been received. Only two original amateur substitutions will be allowed

during the duration of the tournament. More than two substitutions will not be allowed, as the team will no longer have the identity of the team that played at the Chapter level. If a team is unable to comply, the next place team from the previous level will advance in their place.

Substitution Request Form must be submitted to the EWGA Championship office. The substitution player's handicap index dated within 15 days of the competition must be within 3 strokes of the original player's and fall within the same Handicap Index or RCGA Factor range. Requests will be reviewed and decisions will be provided as soon as possible. The Championship Committee reserves the right to disallow the substitution when it is apparent that the substitution is being made to improve the team's chances of winning or to replace a team member who is able to play in the next level of competition. Once a player has been substituted for, she cannot return to the team later in the series.

Within 5 days of a competition, if an emergency arises which prevents one competitor from playing and that team is unable to find an appropriate substitute, the team may compete with a 3-women team as long as they were already registered and eligible to play as a 4-women team. The Team Computation Factor will be recalculated using the indexes of the three players and the +4/-4 parameters will be disregarded. Four drives will be required from each of the three players. A letter of request must be sent to the Championship office. The Championship Committee reserves the right to disallow a 3-women team when appropriate.

Rules Meeting: A Rules Meeting for players and caddies will be held at each level of the competition. Knowledge of the rules and conditions of play are the responsibility of the player. Attendance to the rules meeting is strongly recommended for players and caddies.

Representation of a Team: A team may be represented by any one team member during part of the stipulated round. All team members need not be present. An absent team member may join her team between holes, but not during play of a hole. Each team member must still hit and use the required **minimum number of tee shots** per eighteen-hole round.

Ties: In the case of ties, the decision of the winners will be determined by a scorecard playoff based on the total NET score of the last nine holes.

If the tying teams have the same score for the last nine, the winner will be determined on the basis of the last six holes, last three holes, and finally the 18th hole. One half, one third, and then one sixth of the Team Computation Factor should be deducted from the gross scores of holes being compared.

If the tying players started on Hole #10 instead of Hole #1, the comparison of the last nine holes would be for holes 1-9. If the tying players have the same score for 1-9, the winner will be determined on the basis of the last six holes (4-9), last three holes (7-9), and finally the 18th hole (hole 9). If this procedure does not produce a winner, the same process should be repeated for the first nine holes, which would be holes 10-18.

If the method of competition is conducted in a multiple tee start, the "last nine holes, last six holes, etc.," is considered to be holes 10-18, 13-18, etc. If the method of starting is a shotgun, the reference to the last nine holes is holes 10-18 on the scorecard.

Individual Disqualification During a Championship Round Results in Team Disqualification: The disqualification of a team member during play will result in the disqualification of her affiliated team under the following circumstances: Rule 1-3 Agreement to waive the rules, Rule 3-4 Refusal to comply with rule, Rule 4-1 or 2 Clubs, Rule 5-1 or 2 Balls, Rule 6-2b Handicap, Rule 6-6b Signing and returning card, Rule 6-6d Wrong score for the hole, Rule 6-7 Undue Delay-repeated offense, Rule 7-1 Practice before and between rounds, Rule 14-3 Artificial Devices, Rule 33-7 Serious breach of etiquette or conduct unbecoming.
