

EWGA - DC Metro Chapter

December 2004

President's Message

December 2004

Donna M. Wood

As we come to the end of another glorious golf season, we can look back and feel good about ourselves. No matter the reason for golf, whether it is for fun, learning, competition, or business relationships, it's a great way to spend time with nature and good company.

And the season didn't necessarily end with our last member-guest event in October. Many board members and a few chapter members went on to EWGA's National Conference in Austin, Texas in late October. The trip was great, and included three opportunities to play golf and network with other chapter leaders and members from EWGA, including our international colleagues in Canada. Our DC Metro chapter won an award as the second largest chapter in the association. And to top it off, our own Chesapeake Section chapters were the grand prizewinners in the annual "skit" competition! What a hoot, watching Gretchen Van Hyning mime her best golf practice while we were all line-dancing around her! It was great fun, and as a teaser, take a look at the Hilton El Conquistador Resort and Country Club in Tucson, Arizona where next year's event will be held, November 3-5, 2005!

EWGA Annual Conference: Austin 2004

Deb Marshall

I first heard about the annual conference in late summer from the flyer in my new member welcome packet. Always interested in opportunities to play golf in nice resorts with spa facilities, especially as the weather becomes cooler in our area, I impulsively decided to register. My decision was rewarded by three delightful days in Austin – a first-rate event filled with perfect weather, accommodations and spa facilities, great food and activities, and almost 400 energetic women golfers!

Having joined EWGA to participate in regular local league and weekend golf events, I really knew very little about the organization's structure and activities from the national perspective. Learning the benefits of being a part of this larger organization was an unexpected pleasure for me. While I enjoyed getting to know my own chapter and section members, it was nice to meet women from across the country and recognize the potential for building a larger network of golf friends. In fact, several long-time members commented that their affiliation with EWGA facilitated new friendships during work relocations, retirement, and travel. The annual conference was a reunion of old friends as well as a welcoming environment for new members. I arrived a day early for the general conference but was readily invited to some of the pre-conference leadership events, even though I do not hold a leadership position.

Linda Vollstedt shared her experiences as a successful golf coach for the Arizona State women's team and left us with thoughts that we could reflect upon during our own golf play (for example, "after a golf round, talk about what you did right on the course" and "Encourage, congratulate, and support each other"). Her influence was evident in our golf events at the conference. Many of the seminars were devoted to practical ways to improve the golf and business networking opportunities for members. There was ample time to golf (for all skill levels) and enjoy the resort. Sponsor support was superb and reflected in the attendee gifts, numerous great raffle prizes (including a golf trip to Ireland), golf event prizes and demo events. Group dinners each evening, which varied in theme, were fun, including the "skit night" in which our section took first place! Moreover, the conference was a good value given the registration fee

Our season finale luncheon was a great event at Congressional Country Club, where we installed our new board members and had a great time. This year's board promises to do our best to continue to further the mission of EWGA and make golf a fun experience for every member - whether a new, veteran, social and competitive member.

The board will be calling on you, the members, to help in this endeavor. Without our volunteers supporting our volunteer board, we cannot provide this experience. We recently sent around a survey for members to get their thoughts and ideas on the programs and events that we offer. You are the beneficiary of the feedback, so please participate!

And don't forget us over the winter! We will be putting together opportunities for all of us to gather and tell golf stories off the course. Stay tuned.

As the new chapter president, I look forward to working with our very talented and enthusiastic board, helping our chapter continue to offer and enhance your member benefits. ♦

Hole in One!

MARY DOHERTY

On Thursday, October 28, 2004, I was invited to play in an Event Coordinators Outing at Cross Creek Golf Club. It was a beautiful day and I played with three terrific men, each of them could hit the ball over 250 yards. The format was scramble and I was not playing very well especially on the par threes. On the last par three (# 15) at 106 yards, I decided to use my 7 iron because I had been short on all the others. I hit the pin dead center and it dropped into the hole!

I didn't realize what happened until Dale and Ken shouted, "You did it!", gave me a big hug, and said that the pin was still rattling. It was a thrill, but what I really got a kick out of, was when I was in the clubhouse and a man came up and said to me that I had to buy everyone a drink -- I turned to him and explained, "this is an outing, ALL the drinks are free!" ♦

EVENT DETAILS

Mark your calendars....we will be having an EWGA club regripping night on Monday, February 28th, 2005. It will take place at East Potomac Golf Course (in the comfort of the covered and heated driving range). There will also be an informational seminar about clubfitting and equipment buying. Come and get your clubs regripped and ready for the new season. More details to follow...

New Golf Goodies from Santa?...Hold On to the Old Ones for Just a While Longer!

Mark the calendar and save the date for our chapter's Golf Swap Shop to be held on Saturday, February 5, 2005 at Cross Creek Golf Course in Beltsville, MD. If you have new or used golf equipment, accessories and clothing that you were wondering what to do with OR want to purchase some, this is your opportunity. Sign up to include your items in the sale or join us to shop. A portion of the proceeds will be donated to LPGA-USGA Girls Golf and it will be a fun mid winter event.

Tentative plans call for a continental breakfast with set up at 9:00 and shopping from 10:00-12:00. Stick around afterward and you can purchase a delicious lunch in the clubhouse. Those of you who can't wait for the season to begin can top off the day with a quick round of 9 holes at this interesting course. More details will be provided in an upcoming email and posted on the website so start organizing those golf goodies for this fun event. Jill Starr will be coordinating volunteers for this combined Social/Membership/Golf Events function so contact her if you are interested in helping out. ♦

and accommodations that were offered at well below the usual resort rate.

I'm already looking forward to next year's annual conference in Tucson, Arizona and hope that more members of our chapter will consider attending as well. ♦

SEASON FINALE – MEMBER GUEST

Sherri Bassham, Sue Cox and Cookie Hernandez helped with our ever-popular season finale on October 16th. Originally planned for Old Hickory, the event was moved to Raspberry Falls and, in Cookie's words..."Everyone showed up. Sue and I did a great job! "Here is the Official Report.

Rain, sun, then rain WITH sun, and finally cold rain, hail and wind pelted the 28 participants in the EWGDC End of Season Event held at Raspberry Falls on October 16. Despite the inspiration provided by Connie Eisaman and Bari Nichols in the form of trick or treat candy; it wasn't difficult to convince everyone to stop play after 9 holes to start the fajita dinner, and to hand out prizes early!

The event was a two-person best ball contest which ended in a tie between the team of Nicola and Doug de Stwolinska and Cookie Hernandez and Karen Sroka. Gretchen Van Hying, Nicola, and Cookie computed the handicapped scores and used a scientific tie break (coin toss) to determine that Nicola and Doug won first place. The first place prize was a choice of a free round of golf for four at either Raspberry Falls or Old Hickory. They chose Raspberry Falls, and Karen and Cookie therefore won a round for four at Old Hickory. The winners later swapped two tickets so that both groups can play both courses. Fifty-dollar gift certificates to Raspberry Falls were awarded by random drawing to Ann Smith and Karen Sroka.

All participants received a rain check for 9 holes on a weekend to Raspberry Falls. The lone injury reported was Cookie, whose cheek was struck by an alleged meteorite-sized chunk of hail. Thanks to all brave participants, and special thanks to Sherri Bassham, who handled the "behind the scenes" work deftly despite the turmoil of a venue change from Old Hickory to Raspberry Falls. Hope your shoulder heals soon, Sherri! ♦

BATTLE OF THE BELTWAYS

DIANNE MAFFIA

Our Battle team, led by Lori Griggs and Wanda Moultrie, played September 25 and 26 at The Woodlands just outside of Baltimore. The weather was perfect, and The Woodlands is an absolutely beautiful course. Lori and Wanda gathered our team for a "breakfast of champions" on Saturday morning in the clubhouse where we discussed our strategy and generated lots of team spirit. We all went out, had a good time, and played hard. The only bad news – we lost 12 ½ to 11 ½. Yes, it was down to the last two players and the last putt, but unfortunately Karen Knock's Baltimore team bested us by one point. But everyone had a great time, and we ended with the suggestion of making Battle an overnight event. You know, I had never played match play before, and that first day on the first tee my knees were knocking! But I'm glad I participated because it was so much fun. Thanks to Wanda, Lori, and the entire Battle team... AND JUST WAIT UNTIL NEXT YEAR.....

COMMUNICATIONS CORNER

Over the next several months, we will have some changes in the communications area of our DC chapter. Last year, we all received our newsletters because a group of dedicated volunteers doubled or tripled up on their duties. We all owe Connie Eisaman a big hug!

Susan Cox (that's me) accepted the Communication Chair position and I'm just getting started. We will have a new web site soon, with VASTLY improved capabilities --(thanks to our new member from Knoxville, Sandy Waggett). We will have more timely and professional newsletters once I put all the puzzle pieces together. We will be sending out more surveys via email to find out where we can improve.

If you have suggestions, or would like to help, (especially with newsletter layout) please send an email to scc@sccox.com. Further announcements of progress will follow soon. ♦

VOLUNTEER OUTING

MARY DICKSON

Mary Ann Cronin requested a beautiful autumn day for the 2004 Volunteer Golf Outing; she must be "livin' right" because Mary Ann received it!!! On Saturday, October 9, 2004, EWGDC Volunteers that put forth tremendous effort in season long activities as committee chairs and major leads (league captains, tour chair, handicap chair, etc.) were treated to a round of golf, at Penderbrook Golf Course in Fairfax, VA, as a thank you for their organization and leadership efforts to support our Chapter.

The day began with EWGDC everyone "catching-up" over a delicious buffet breakfast, satisfying all taste buds.

When each foursome kept their score, the best 2 scores for each hole, were used to tally the totals. The first place team consisted of: Linda Church (Secretary, elect), Nicola de Stowlinska, Jennifer Flather and Laura Gollobin. Second place: Donna Wood (President, elect), Gretchen Van Hyning (outgoing President), Bari Nickols and Mary Dickson. Third place: Mary Ann Cronin (Vice President, elect), Connie Eisaman (Social Chair), Karen Marcotte and Janet Montague. We were all thrilled with prizes of golf balls, which are always in need.

Despite the narrow and predominately hilly fairways, in addition to many water hazards, all had a great time and fun day! Many thanks to Mary Ann Cronin for organizing our event, and for the recognition of the extra efforts for this group of volunteers newsletter. ♦

END OF SEASON LUNCH EVENT

SUE MADDEN

More than 90 EWGA-DC members and guests came to Congressional Country Club on Sunday, November 7 for the End-of-Season Luncheon. It was a great opportunity to thank all our Board members, volunteers, and sponsors for their service and support throughout the past year, to welcome our new officers, and swap stories and phone numbers.

There were plenty of door prizes and crazy putting contests and a great time was had by all. It was sad to see the 2004 season come to an end but 2005 promises to be an even better year. Special thanks to Connie Eisaman and her committee for a great day. ♦

NATIONAL CHAMPIONSHIPS

CAROL DEL GIUDICE

It's been said that there are good reasons for everything wonderful that happens to you in your lifetime, and I discovered how true that is when I became fortunate enough to play with a supportive Scramble Team in not one, but three exciting Championship rounds as a representative of the D.C.Metro EWGA Chapter. This is absolutely phenomenal, especially given the fact that our Scramble Team was formed at the last minute. Who knew that we would win two of the three Championship rounds?! Sweet stuff!

I only knew Cookie Hernandez by sight at various EWGA events, and I hadn't even met Katherine Philipp or Cathy Bradley, so I only had a vague idea of who they might be, and knew nothing about their golf style other than what my friend Connie told me. However, we got along great and came off the golf course "smelling like roses" by winning both the Chapter and Sectional events to qualify for the National Championship. It was an ecstatically exciting time for all of us when it finally sunk in that we were going to Nashville, Tennessee for the final Championships.

I arrived at the airport gate and discovered that my flight would be delayed for about two and a half hours due to heavy rains and lightening. Once on my way, my flight was wonderful and everyone was very nice, which eased some of my exhaustion. I arrived at my hotel around 1:30 in the morning. However, when the time came for me to meet my team for quick breakfast and be on our way for our 10:20 am practice round, I became excited all over again. It was on "The President's Reserve" Course and since Cathy hadn't arrived yet, it was down to Cookie, Katherine and myself to test the course, while Cookie took notes to give Cathy some insight about the course played.

Friday, September 10 at 7:30 was the finals round at "The General's Retreat" course. We had an hour-long fog delay, then it was off to the first tee where everyone put on their serious competitive faces, and suddenly the realization of this tournament sunk in even more. How could we go wrong at anytime on this day wearing our matching red shirts, khaki pants, and the St. Andrews red visors that Katherine surprised us with from one of her exciting trips? We started the day off with confident thoughts that on every hole we were either going to get a par or better yet, a birdie. We encouraged each other about every shot throughout the day.

We had planned to wear the blue "EWGA Championship" shirts with blue or black shorts on the second day. However, since Cathy and I didn't have the official shirt yet, we had a dilemma about the "uniform". After dinner, we all ventured over to the K-Mart to look for something in blue but no luck. After much discussion, I finally settled on a nice outfit at the Pro Shop. Cathy thought her shirt would arrive via overnight delivery, but it did not, so she substituted her "Independence Airlines" blue top, which worked out nicely with our team's coordination efforts.

We were confident that we would have a chance by playing "The President's Reserve" Course on the second day since we had played it in the practice round. It didn't turn out as well as we hoped, but a score of 71 was not too shabby. Unfortunately, it was not a good enough score for this Championship win. In any event, we had a wonderful time playing both courses and were very happy for those people who won. The staff at the "Hermitage Golf Course" was very gracious and accommodating. They went out of their way to chat with us individually and ask us how we did, asked if we were enjoying ourselves, and gave us a great recommendation for a nice steak dinner with all the trimmings!

The networking with a lot of nice people at the Welcoming Reception and the Rules Meeting was awesome, as was the Awards Dinner. I can only imagine how much preparation took place for such a large event, and I feel that everyone truly appreciated all the hard-working people who shared their time to make this event as special as it was. It was nice to meet Sara Hume, EWGA Executive Director, after corresponding with her periodically over e-mail.

I'm looking forward to next year and doing better! This is a lot of fun, and I highly recommend Scramble Teams; especially one such as ours who displayed such a great deal of teamwork. We had a great time! ♦
