Volunteers Needed for Membership and Sponsorship Committees

We're looking for people who want to meet new friends, develop some personal or professional skills or give back to make a difference in the chapter. You can have an impact in as little as 30 minutes a month.

The Membership Committee is developing several initiatives to make it easier for the new member to find her way and make the most of her EWGA membership. We want this chapter to be known

for its friendliness and inclusion of all members in our activities. **To meet the needs of new and returning members we need your help. Contact Nicole Hardin at membership@ewgadc.org**

The Sponsorship Committee is having an unbelievable year. Kim Thomas and Jill Dusenberry have recruited more sponsors than the chapter has ever had. Committee members are needed to help manage the accounts. This involves maintaining communication with a sponsor and making sure that we are meeting our responsibilities to the sponsor. **Please contact sponsorship@ewgadc.org for more information or to volunteer.**

Membership Renewal

Did your EWGA membership expire at the end of March? You have a 3 month grace period before you would have to rejoin as a new member, but you can't participate in any of the chapter events until you renew. We don't want you to miss out on all the great things we have planned. It's easy to renew online.

- Sign into the [Members Only area](#) on the EWGA web site using your login (member ID) and password. Send an email to member@ewga.com if you have forgotten your password.
- Click on the "Renewal Reminder" tab in the upper right corner of the screen.
- Confirm your Chapter and membership level (classic, premier or executive).
- Enter your credit card payment information and hit submit. Renew your membership and we'll see you on the course.
