## EWGA DC METRO CHAPTER

April 30, 2008

### Greetings Vicki,

League Kick-offs are this week and next week the League first sessions begin. With the weather warming up, there is no reason not to be out on the course. Consider signing up for some of the EWGA DC events scheduled for May and June. Looking forward to seeing you on the course!

Regards!

### President Connie Eisaman's Message

The official EWGA Washington DC Metro Chapter golf season has begun!

Saturday we were greeted with perfect weather and a group of 50 women golfers enjoyed a lovely round at Atlantic Golf at Potomac Ridge.

The best was when one of the marshalls was near one group and we heard the message being broadcast on their radios..."I have yet to see women golfers hold up men. If anything, it is the men that usually hold up the women!" Talk about women friendly!

League kickoffs and other golf events are here. Get to the website, get your calendars out and get registered early for those events that you don't want to miss!

### Member-Guest Scramble

Ladies, start your engines...and with a sputter and a spurt, 48 golfers wound to their appointed first tee of the EWGADC 2008 inaugural golf event, the Member- Guest Best Ball Scramble at Potomac Ridge Golf Course in Waldorf, Maryland, on April 26.

The course proved challenging with its lush thick rough, sloping fairways, and ridge guarded holes. Each hole demanded a full team effort to post a respectable score.

In the end, only one team out-dueled the course with a sub par round. Congratulations to the team of Kim Thomas, Jill Dusenberry, Dianne Maffia, and Karen Marcotte for that feat. Nipping at the winning team's heels was the second place team of Catherine Perge, Pat Bryant, Susan Allen, and Maureen Gilmore and the third place team of Cathy Johnson, Janice Bittner, Nancy Burke, and Susan Lamar.

Individual honors of longest ball and closest to the pin were earned by booming long ballers, Pat Bryant and Paula Jonas, and pin perfect Kerri Salih and Kim Thomas respectively.

Thanks a bunch to Events Chair and Scramble Host Sheila Chittams for such an enjoyable time. Thanks also to volunteers Liz Schwarzman, Terri Otero, and Kimberly Korbel for assisting Sheila throughout the wonderful day.

The next member/guest event is **Saturday, July 26, at Musket Ridge in Myersville, MD**. The beauty of a scramble event is that players of all levels are welcomed, and during the round, everyone hit shots that contribute to team play. So nudge your fellow golf enthusiasts, plan your strategy, and join us for the next scramble on July 26.

### From Hanna Handicap:

Congratulations Gail Watson!! You are the winner of Hannah's quiz question #2. The Handicap Chair will contact you to pick up your prizes. You have won...

- Golf lesson from Capital City Golf School
- PLUS a dozen Callaway HX Pearls
- PLUS One US Golf Pass
- PLUS a weekday foursome at one of our many sponsor courses!!

In case you missed it, the question was:  
If you pick up on a hole, what score do you post?

**ARBONNE®**  
**INTERNATIONAL**

*Eagle Level Sponsors*

**MARY KAY®**

The correct and complete answer is: Record the most likely score for handicap purposes. A most likely score is the number of strokes already taken, plus in the player's best judgment, the number of strokes needed to complete the hole from that point more than half the time.

Do not automatically put down the ESC maximum. ESC is applied after the round and is only used when the actual score or the most likely score exceeds your maximum number.

Members of the Handicap committee will be visiting kick-off meetings as requested by the league captains. Have your questions ready or you can email them to [Handicap@ewgadc.org](mailto:Handicap@ewgadc.org). League play is just around the corner so get ready to post those scores!

Don't miss the next E-Blast for Hannah's quiz question #3 and your chance to win all of the fantastic prizes above.
